

Listen, we need to talk. Recently we haven't communicated as well as we used to and that worries me alot. You know i care for you, you're all i think about. I love you so much. But this is unhealthy for the both of us. I can't stand the way we're treating each other. You refuse to communicate, i refuse to listen, we refuse to be there for each other. I can't do this to you. I love you too much to let you hurt yourself like this. Let's break up. Don't prolong this suffering we endure for each other anymore. Maybe one day when we both grow up and mature we can reconcile. The past year with you has been the best i ever had, and although it pains me so bad to say these words to you, i can't love you like this anymore. I'm sorry.Listen, we need to talk. I love you too much to let you hurt yourself like this. Let's break up. Don't prolong this suffering we endure for each other anymore. Maybe one day when we both grow up and mature we can reconcile. The past year with you has been the best i ever had, and although it pains me so bad to say these words to you, i can't love you like this anymore. I'm sorry.Listen, we need to talk. Recently we haven't communicated as well as we used to and that worries me alot. You know i care for you, you're all i think about. I love you so much. But this is unhealthy for the both of us. I can't stand the way we're treating each other. You refuse to communicate, i refuse to listen, we refuse to be there for each other. I can't do this to you.
